Bio

Michael Kutka is a Network Architect with extensive experience in designing and implementing network solutions for the Insight Global. He began his career at IG in April of 2015 on the Service Desk, where he quickly distinguished himself as a talented and dedicated professional.

When not working on expanding his networking knowledge and implementing solutions at IG, Michael enjoys spending time with his Daughter, London, and Wife, Cara.

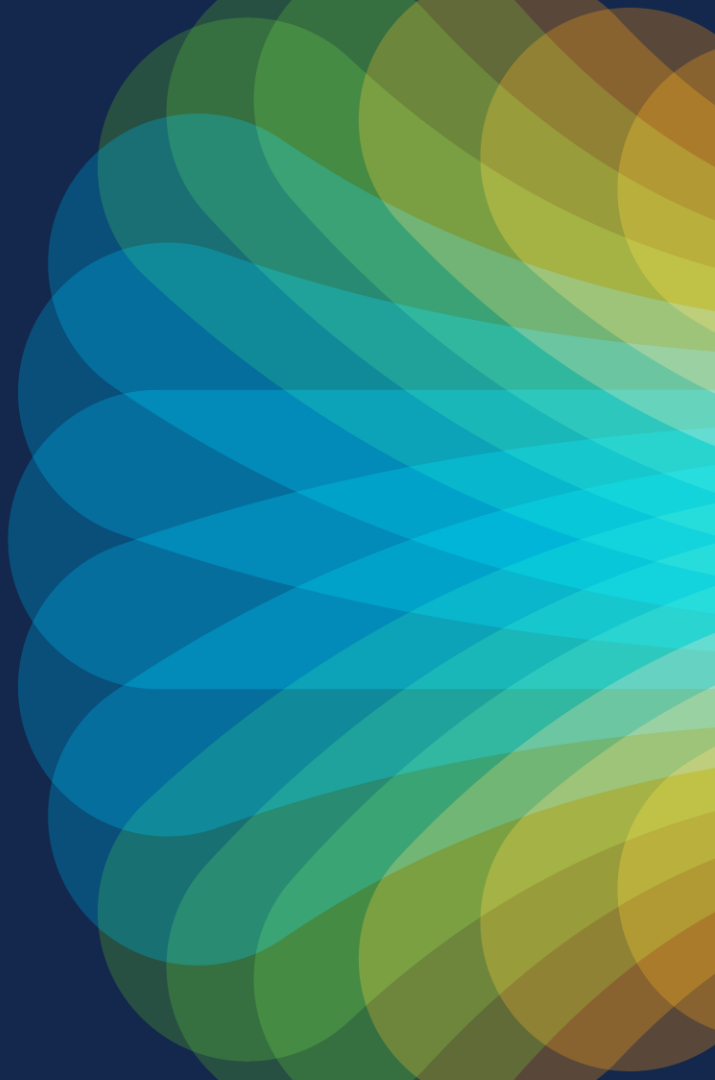
Q&A



Fill out your session surveys!

Attendees who fill out a minimum of four session surveys and the overall event survey will get **Cisco Live-branded socks** (while supplies last)!

Attendees will also earn 100 points in the **Cisco Live Challenge** for every survey completed.

These points help you get on the leaderboard and increase your chances of winning daily and grand prizes
