Many room devices have not been built for a multi-platform world

- Hard to switch from one meeting platform to the next
- Compromised meeting experiences, missing key features
- Intelligent device capabilities available for a single platform only
- Fragmented layers of device management and analytics

Fill out your session surveys!

Attendees who fill out a minimum of four session surveys and the overall event survey will get **Cisco Live-branded socks** (while supplies last)!

Attendees will also earn 100 points in the **Cisco Live Challenge** for every survey completed.

These points help you get on the leaderboard and increase your chances of winning daily and grand prizes
