[#italkhybridwork](#)

A high-resolution image of Earth from space, showing the curvature of the planet. The left side of the image shows the dark, blue-black surface of the Earth, while the right side shows the bright, white and yellow lights of cities and urban areas. The background is a deep blue space filled with numerous small, white stars.

The world has changed.

Hybrid Work is both different and harder than how we worked before.

The problem with Hybrid Work

Why Cisco for Hybrid Work

Reimagined

Security and Manageability for Hybrid Work

Security and Manageability for Hybrid Work

Hybrid work makes security and networking harder

Making the vision of hybrid
work a practical reality.

Reimagining
campuses
with physical
and virtual data.
