Agenda

- Introductions
- Cisco U. Overview
- Cisco U. Demo
- Wrap Up

Ashley Roach
Director of Product

Kate Dignan
Learner Experience
Product Manager

A Story

“If [I] can give some **feedback** to the other learning platforms/bosses who are in charge of this:

Please **consolidate** all the different kinds of Cisco learning platforms in one big and beautiful place, utilizing the latest **virtualization** technology to **easily** (within minutes, not hours) create an environment that can **enable** current and future Administrators to learn and get excited about.”

Meeting the demand of today's IT workplace is no small feat

- Launch the latest network technologies
- Shift towards cloud connected workloads
- Learn new tech skillsets
- Employ hybrid work solutions
- Access strategic training in the moment of need

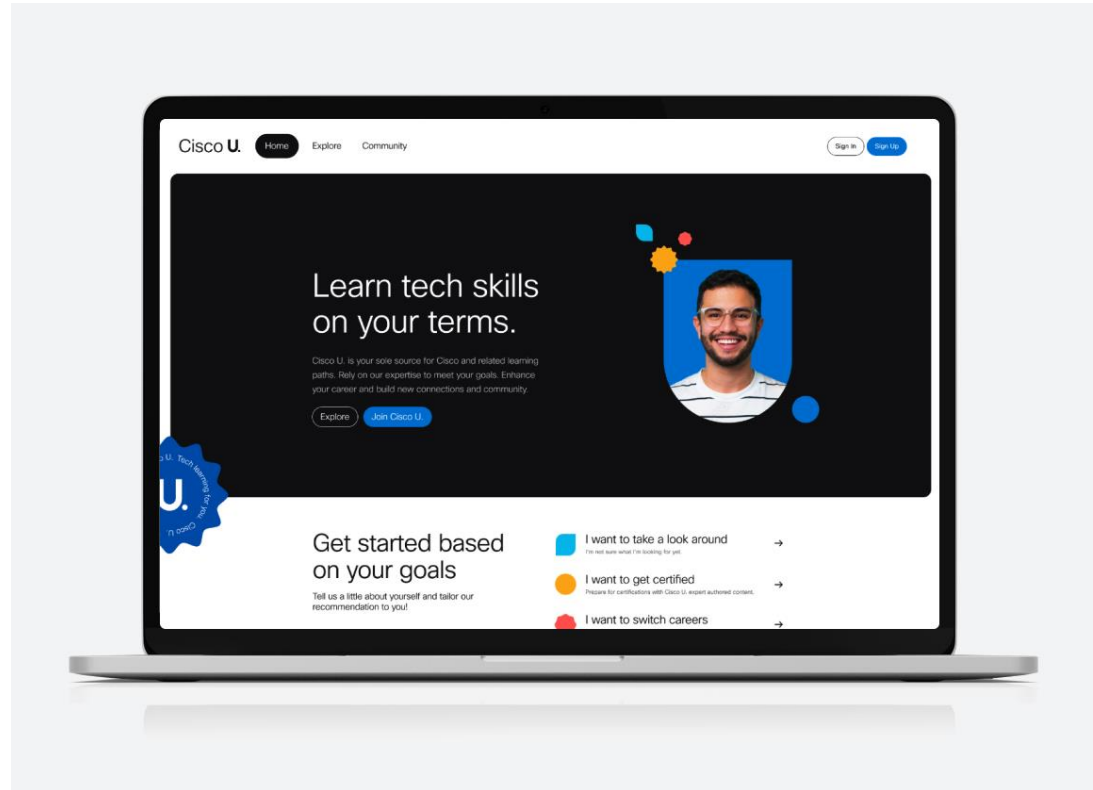

Cisco U.

Tech learning, shaped to you.

Cisco U. guides tech learners to the role, certification, or solution you need through:

- Tailored learning paths
- Skills insights
- AI-driven recommendations
- Project-based learning
- Modular learning

Guidance that provides an experience built around the learner

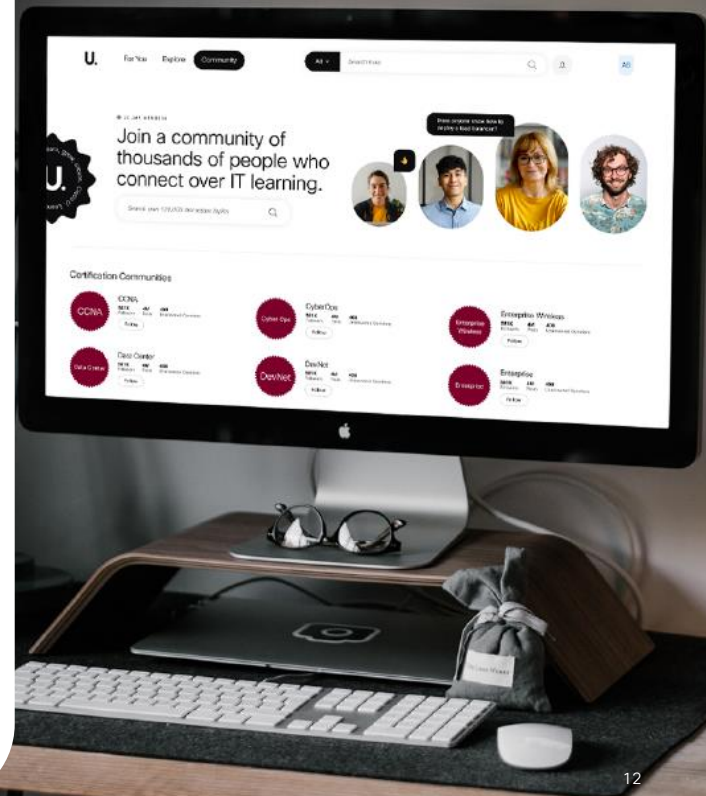

- Quick-start pre-assessments
- Goal-based learning
- Learning paths: career certification, role-based, solution-based
- Personalized recommendations
- Advanced search
- Intuitive, modern, user-friendly experience
- Project-based learning

Community that offers a space for learners and content creators to connect

- Leverage a global community of 1M+ members
- Participate in forum activity/topics and social media from a single place
- Join study groups and digital communities
- Network with organizations and learners to build connections
- Be part of a community within a company

Depth of quality you expect from a tech industry leader

- Adjacent technologies
- Evolution of Cisco learning offerings combined in one convenient place
- Modular learning
- Learning in many forms
- Digital classroom
- Continuing education for skills and certifications

Let's look at
Cisco U.

Cisco U.
