

The background is a vibrant, abstract composition of numerous overlapping, elongated, teardrop-like shapes in various colors including dark blue, light blue, green, yellow, orange, and red. These shapes radiate from a central point, creating a starburst or sunburst effect. Some shapes have white circular cutouts. Scattered around the main burst are several small, solid-colored circles in blue, yellow, and red.

Agenda

- Making of Super Agents
- Demo
- Architecture
- Configurations
- Future
- References

Michael Littlefoot

- Michael wants details to finance his new Bike
- Tried multiple finance customer care and now frustrated
- In some customer care he was lost in IVR
- In some customer care Agents were not trained to handle his query and took a lot of time to answer his queries

Sandra Jefferson

SANDRA
AGENT

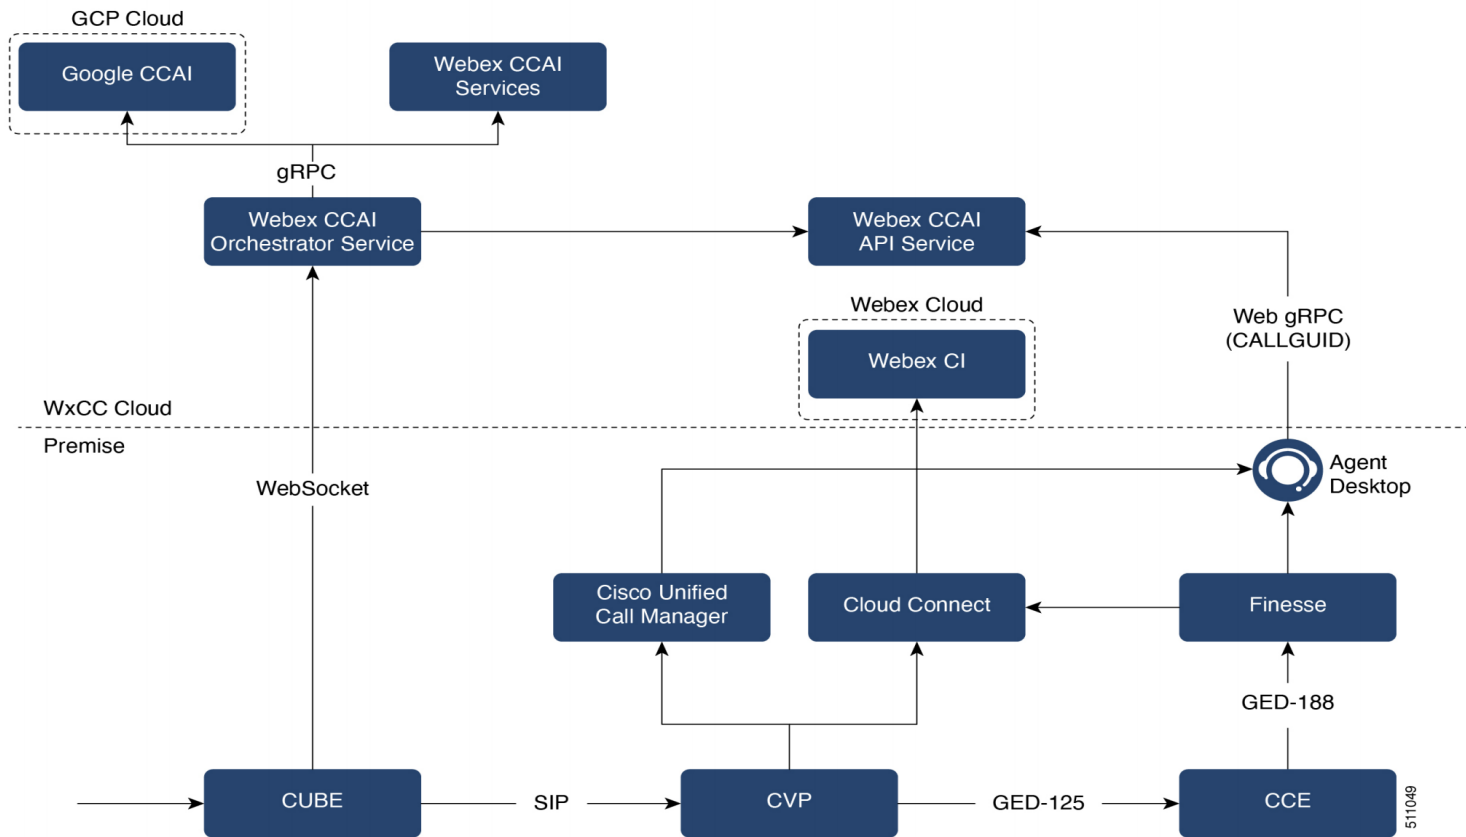

- Sandra is a new joinee in Cumulus Finance Customer Care.
- Just started her training
- Due to short of staff Sandra is asked to handle customers
- Sandra is nervous.

Demo Michael & Sandra

Agent Answers

- What is Agent Answers
- Agent Answers vs Virtual Agent
- Google as OEM partner and provider
 - Billing through Cisco
 - Whitelisted by Google
 - Knowledge Base at Google
 - Configuration at Cisco
- Webex CCAI as provider

Architecture

Architecture

- Uses Google CCAI APIs
- Upgrade to 12.6
 - CUBE, CCE, Finesse, CVP, VVB, Cloud Connect
- Using Agent Answers with Virtual Agent
- Cloud Connect based Hybrid Feature
- Framework for more Agent Services
- HTTP Based Stream protocols gRPC, WebSocket
- Reporting
 - Agent Feedback
 - Webex Experience Management based reports
 - Average Handle time (Before and after Agent Answers feature)

Configurations

- Create Google CCAI Project
- Creating Knowledge Base
- Creating Profile
- Create CCAI Configuration
 - Creating Connectors
 - Creating Configurations
- Enable CCE Agent for Answers feature

Going ahead..

- Answers based on Virtual Agent Interaction
- Virtual Agent Transcript for Agent
- Reporting for Analytics
- Cisco CCAI Services
 - Cisco Answers
 - Cisco Transcription
 - Cisco Sentiment Service
- Align the Hybrid Architecture for Virtual Agent (Voice)
- Support of other providers / services / languages .. On need basis

#CiscoLive

The background is a vibrant, abstract composition of numerous colorful rays and shapes radiating from a central point. The colors include dark blue, light blue, green, yellow, orange, and red. Some shapes are solid, while others have white circular cutouts. The overall effect is dynamic and energetic.
